# Jennifer's Holiday Cookies

## Ingredients

- 1 cup finely-sifted sugar
  - 3 egg whites
  - 1/8 tsp. salt
  - 1 tsp. vanilla extract
  - 1/2 cup semi-sweet chocolate morsels  
*or more depending on personal preference*
1. Whip eggs whites and salt by hand until stiff. You should be able to form peaks with the batter. I recommend using a flat whisk like my grandma's chicken wire blending whisk that we've used every year to make these cookies.
  2. Gradually add half of the sifted sugar while continuing to whip the batter.
  3. Add vanilla extract, a few drops at a time, alternating between vanilla extract and adding the remaining half of the sifted sugar.
  4. Continue to whip the batter and fold in chocolate morsels. More can be added as needed, based on personal preference.
  5. Drop the batter with a spoon, into the shape of a chocolate "kiss", onto a greased and well-floured baking sheet.
  7. Bake at 250° for 30 minutes and enjoy!

## A Message from the Director

It's that time of year again! It's hard to believe that the holidays are just around the corner. And what better way to kick off the holiday season than to join me at our Classic Holiday Party?! It's been 3 years since we last held this event and we're excited to bring it back. Hope to see you all there!

On another note, you'll notice I have a new last name! As many of you know, I got married this past June. Thank you to everyone who has reached out with kind words and well wishes.

If you have any questions, would like to place your reservation for trips, or have suggestions for future trips, feel free to call me at 314.746.4662 or e-mail me at [jennifer.kuykendall@centralbank.net](mailto:jennifer.kuykendall@centralbank.net).

Best regards,
