BUT this trip is not all music, it also features, the Virginia Beach Military Aviation Museum, Spirit of Norfolk Lunch Cruise, Coal Camp Memories at Tamarack, visit to The Smithsonian Museums, Evening Illuminated Monuments Tour, the National Museum of the United States Army, a guided Washington D.C. Sightseeing, White House Visitors Center, Capitol Hill & Visitors Center. All this on a motor coach filled with your family and friends. And

if you don’t know them when you get on the bus, you will before you return home.

You will experience great views of the Elizabeth River Waterfront while on the Spirit of Norfolk Luncheon Cruise. There find the first battle between ironclad ships: The Monitor & Merrimac plus the Norfolk Naval Base. The home port is for the Atlantic Fleet, including 125 vessels, nuclear submarines and aircraft carriers.

“Rockin’ the Boardwalk” is a signature group travel event that occurs every two years. It has a melodic and romantic focus featuring three straight nights of Pop and Rock music from the ‘60s. Just the right era for us! This music is some of the most popular music still played today.

Missouri's National Veterans Memorial

If you have never had the opportunity to visit the Vietnam War Memorial in Washington D.C. here is your chance! Travel with our Classic Club to Perryville Mo. for a visit to this exceptional place.

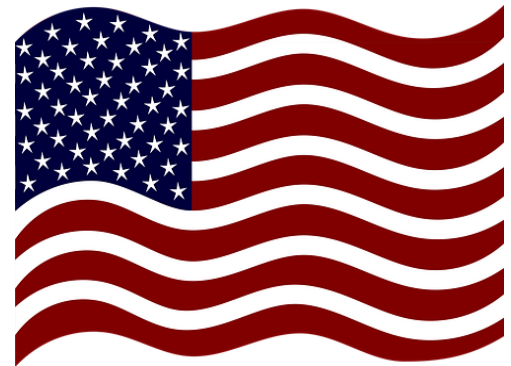

This price of this trip includes your motor coach, entrance and your lunch.

This is an awe-inspiring full scale sister black granite wall, just like the Vietnam Wall in Washington DC. The names seem to go on and on, and it has more than 58,000 names on the wall. It honors the men and women who served in the controversial Vietnam War. These are the names of military personnel who were wounded in Vietnam between 1957 and 1975 and ultimately died of their wounds,

The setting is a great place that lies in the Heartland of the United States. It offers veterans, civilians and those currently serving, a place to reflect on all the sacrifices of all service men and women in a quiet and peacefully setting in Perryville Missouri. This wall has also been called "the wall that heals".

Call now to Michelle LeGrand to place your name on this list. Date is April 21, 2019

Be sure to take a pencil and paper, for any rubbing's you wish to make.
