

Car Buying 101

Nearly everyone has to buy a car at some point, yet what do you really know about making the best financial choice for you? There's more than one way to purchase a vehicle wisely. Car Buying 101 teaches you how to navigate the many aspects of purchasing a vehicle. This class covers topics including:

- **Examining credit and interest rates**
- **Analyzing car values and depreciation**
- **Establishing a budget**
- **Understanding additional costs of ownership**
- **Reviewing what it takes to get approved for financing**
- **Differences between dealership and private sales**
- **Negotiation tips and tricks**

This session is led by Jacob Whetstine, Consumer Loan Officer for Central Bank of Boone County. Prior to joining Central Bank of Boone County in 2020, he worked in the car industry for over three years as a salesman and finance manager. Jacob utilizes his experience to assist clients in all aspects of the car buying process - from "just looking" to "just bought."

Join us for this FREE session to learn more about the steps involved in purchasing a vehicle.

This class will be held in-person in the ProsperU classroom.
