

Understanding Your Credit

You know having good credit is important but how do you get it? Student loans? Car loans? Home Loans? Credit cards? Whether you've got them now or want them later, you need to understand exactly what your "credit" means. Learn the basics of credit and how you can build, protect, or repair yours. This seminar covers:

- **Examining what the numbers mean**
- **Reviewing credit score components**
- **Learning how to review your own credit report**
- **Understanding credit do's and don'ts**
- **Tips and tricks to establish credit**
- **Examining ways to improve your score**
- **Advice for credit repair**

This session is led by Sarah Moreau, Assistant Vice President/Community Outreach Officer – ProsperU Director for Central Bank of Boone County. She is a nationally certified credit counselor (NACCC) with over fifteen years of banking experience. Sarah helps clients to achieve financial freedom with budgeting support, credit assistance, and debt management expertise.

Join us for this FREE session to understand how to use credit to your advantage.

This class will be held online-only via Zoom.
